

## Language Arts

In Language Arts this month we have been working a lot on descriptive words using color, as well as working on visual phonics to help us spell. We also have been studying riming words and reviewing our new words.

In readers workshop students got their very own book baskets instead of sharing from the middle of the table. This was very exciting for them to have control on what kinds of books go in their baskets

## Math

In Math we are working on reading/ understanding a calendar, practicing counting and recognizing teen numbers, estimating a collection of objects, and telling number stories through pictures. We will conclude with a unit on "Is it 20?" with Mrs. Bear. On Tuesday, November 26th students may wear PJ's to school and bring a teddy bear for our Picnic.

## November Monthly Newsletter

Thanksgiving break Wednesday November 27-Sunday Dec 1st  
There will be no school. Enjoy your family time!

## Notes and Reminders:

There are a lot of items in the lost and found. If you get a chance to check it out you might be surprised at what you may find.

With the cooler weather, please make sure your child has hats, mittens, boots and coats. It is also a good idea to put their name on the inside tags. Remember to keep practicing how to put them on/take off coats and snow boots.

In Social studies we began to study Sequoyah. We discussed his impact on history and retold his story through "talking leaves." He developed the written language for the Cherokee tribe. We are also working on timeline for beginning, middle, and end.

## Important Safety Reminders

At Meadowlark our highest priority is ensuring the safety of all kids and adults. Please help us by always remembering the following at drop off and pick up:

- \*Always enter our parking lot through the entrance on Durston street
- \*Never enter our parking lot through the bus entrance
- \*Obey our 25 mph speed limit on Durston Street

Thank you for your cooperation.

Following these guidelines is important to ensure the safety of everyone!
